CONSTITUTION OF THE REPUBLIC OF TURKEY
OCTOBER 29, 1923

AMENDMENT

Article 1. Sovereignty is vested in the nation without condition. Governmental system is based on the principle of self-determination and government by people. Turkish State is a republic.

Article 2. The religion of the Turkish State is Islam. Its official language is Turkish.

Article 10. Turkish president is elected by the Grand National Assembly from among its members for one election period. The duty of the President shall continue until election of the new president. A president whose term of office expires may be eligible for re-election.

Article 11. Turkish President is head of the state. If necessary he may act as the head of the Grand National Assembly and the Council of Ministers.
